

West Linn Council President Jody Carson Named Chair of the Regional Water Providers Consortium

Press release date: 2011-06-02

WEST LINN - City of West Linn City Council President Jody Carson was named chair of the [Regional Water Providers Consortium](#). The Regional Water Providers Consortium is committed to good stewardship of the region's water through conservation, emergency preparedness planning and water supply coordination. The need for regional water supply coordination brought Consortium members together in 1997. Today, the group consists of 23 water providers and the regional government Metro. More information can be found in the Consortium [annual report](#).
